

Adult Probation Home Confinement Unit Pretrial Curfew Population by Charge Type – 2/7/2025

The Adult Probation Department's Home Confinement Unit oversees electronic monitoring for pretrial defendants ordered to a curfew by a judge. Standard curfews are 12 hours per day, from 7pm to 7am. Defendants can request modifications based on work, school, or healthcare. These requests are verified and approved by Pretrial Officers. A judge may also require a shorter or longer curfew period, depending on individual circumstances. The Home Confinement Unit does not have the authority to determine who is placed on EM or how long defendants remain in the program; curfews are monitored as a condition of release, set by a judge. The table below provides the top charge for all pretrial defendants with an electronically monitored curfew that was active on 2/7/2025. Charge data comes from Adult Probation's case management system; please note that the Clerk of the Circuit Court is the definitive source of all charge related information.
