Circuit Court of Cook County

(Name of company)

having requested permission from the Chief Judge of the Circuit Court of Cook County to issue bond certificates to be accepted by authorized officials as bond for the appearance in court of the holder thereof, in any action arising from traffic violations as provided in Part 9 of the Rules of the Circuit Court of Cook County, as a condition precedent to the issuance of such authority, guarantees to the Honorable Court:

1. To pay every judgment of said court not to exceed \$140.00 for any single offense or \$500.00 for multiple offenses arising out of the same occurrence for auto bond certificates, or not to exceed \$500.00 for truck bond certificates, including ex-parte judgments for failure of any certificate holder to appear in court entered in cases in which such bond certificate was deposited as bail, which shall become final, to the Clerk of the Circuit Court of Cook County, within 10 days after receipt of a notice from said Clerk of entry of such judgment and that the same has become final; and

2. In the event of failure to pay such judgment or judgments within such ten (10) day period, the Clerk of the Circuit Court of Cook County is hereby authorized, pursuant to the order of said Court, to first pay such judgment or judgments from case funds deposited with such Clerk and thereafter upon the depletion of such cash funds to sell so much of the securities deposited with him or her as shall be necessary to make payment of such judgment or judgments and the costs and expenses incident to such sale, hereby releasing and exonerating said Clerk from liability with respect to such payment made in accordance with such order; and

3. In the event any portion of the deposit heretofore made as stated in item two above shall be depleted or such deposit shall diminish for any reason so that its fair market value is less than \$25,000.00 for an auto bond certificate or \$50,000.00 for a truck bond certificate, that it will restore said deposit to \$25,000.00 fair market value for an auto bond certificate or \$50,000.00 for a truck bond certificate upon ten (10) days notice from the Clerk of the Circuit Court of Cook County; and

4. That in the event of termination of its authority to issue bond certificates, and upon the expiration of one year following such termination, an accounting shall be made of its liability with respect to bond certificates issued prior to the date of such termination, and so much of said deposit as shall be necessary to satisfy such liability, including but not limiting the same to cost and expenses incident to the sale of such securities, if any, shall be applied to satisfy such liability, and any overplus of such deposit released and returned, thereby releasing and exonerating the said Clerk of the Circuit Court of Cook County of and from any further liability with respect to such payment; and

5. That this guarantee shall be liberally construed to impose liability upon the issuer of bond certificates in accordance with the purpose and intent of the Rules of the Circuit Court of

Cook County in such case made and provided that every bond certificate issued by it or with respect to which it assumes liability by this guarantee, regardless of the form or language employed therein, shall be construed as if it contained in express language the liability intended by such Rule of Court to be imposed upon a company or association authorized to issue such bond certificates, and that every such bond certificate issued by it or with respect to which it assumes liability under the guarantee, regardless of the form or language employed therein, shall be construed as if it provided as follows:
